**Mz.thread:** Muzzle thread: Early G43 and some late K43 made by BLM had a threaded muzzle and a muzzle nut.

**Dual rail** The last K43 made by Walther in 1945 had a dual bolt guide rail. All other had only one on the left side

**Mill.hous** Milled housing: A few early Walther and early and late BLM had a milled bolt-housing. All other had a bolt-housing made of stamped steel.

**Durofol** A great part of G43 produced by BLM had a Durofol handguard.

**Bolt stop** Most K43 made by Walther in 1945 didn't have a bolt stop (bolt hold open). All other had a bolt stop.
